

Minot Area Career Expo Digital Marketing/Career Awareness Opportunity

All students at Minot High School are part of a career development Google Classroom. This is a quick and efficient way to push out information to all 2,000 high school students about future opportunities. Career Expo participants who receive one or more digital marketing/career awareness opportunities as part of their package level will have their business/organization as the “career spotlight” for the week and their information featured for all 9-12 students to view in Google Classroom. School counselors from surrounding schools outside of Minot Public will also receive this information to share with students through email or the platform of their choice.

Below is an example of a Digital Marketing/Career Awareness Opportunity on Google Classroom:

Good morning MHS students!

This week's career awareness spotlight is on the **North Dakota Army National Guard (NDARNG)**.

You can choose to be whatever you want in the North Dakota Army National Guard! The NDARNG provides the opportunity to:

- serve your country, state, and community
- obtain a rewarding career
- receive some great benefits such as tuition assistance, student loan repayment, housing allowance, affordable health and dental insurance, etc.

Attached to this message is the booklet "What the Guard Can Do For You" which features information on all the opportunities available in the NDARNG as well as a video showing an example of what annual training looks like for members.

If you have any questions related to the North Dakota Army National Guard please contact:
